Once there was a boy and one day he found a penguin at his door. He didn't know where it had come from or who it belonged to. The penguin looked sad and the boy thought it must be lost.

But no one seems to be missing a penguin. So the boy decides to take the penguin home himself, and they set out in his rowing boat on a journey to the South Pole. But when they get there, the boy discovers that maybe home wasn't what the penguin was looking for after all...

Set sail on a wonderful adventure in this magical, musical show from the best selling picture book by award-winning children's author Oliver Jeffers. This simple story of true friendship comes to life with puppetry, songs and music.

# MISCHIEF MAKERS

SUMMER READING CHALLENGE 2018

Kirklees Libraries are excited to announce that this year's Summer Reading Challenge will start on Saturday 14<sup>th</sup> July. Aimed at children aged 4 - 11 years it is free to join and children can sign up at any Kirklees Library, including **The Chestnut Centre, from 14<sup>th</sup> July onwards.**

This year's theme is 'Mischief Makers' and is based on the much loved children's comic, The Beano.

Children have to visit the library at least 3 times over the course of the school summer holidays and must read at least 6 books to complete the challenge. They can collect a fun Beanotown Map, stickers and prizes along the way and are awarded a certificate and medal if they complete the challenge.

The Summer Reading Challenge takes place annually in public libraries and has been shown to effectively combat the 'dip' which can occur in children's reading levels during their long absence from school over the summer. Kirklees Libraries will also be offering a range of fun, free children's events and activities during the summer holidays - pop in and pick up a copy of our Highlights Brochure.

TAEKWONDO  
NORTHFIELD

Premier Taekwondo started over ten years ago, originally running sessions at Fartown High School and Brackenhall Community Centre. Since then the club has grown from 3 members in 1996 to the current membership of over 640. Members ages range from 3 to adult, and Premier Taekwondo are proud to be a diverse and inclusive club.

Our club is pleased to announce that we have recently been awarded funding from One Community Foundation, to develop a second activity base at Northfield Hall. Sessions will officially start on Tuesday 11<sup>th</sup> September, 6pm – 7.30pm for all age's from 3 years old. To come along to a session you **must book in advance**. You can do this by contacting the club at any of the details below.

We will also be running a couple of taster sessions during the last week of the school holidays, at Northfield Hall. Feel free to drop in to these sessions to have a chat with our

instructors to find out more, and to book on to the Tuesday night sessions. We will put plenty of notices up around Northfield Hall closer to the time – and we will advertise the dates and times on our Facebook Page as well.

### ***A BIT ABOUT OUR CLUB...***

In recognition of our club's commitment to safeguarding its members, Premier Taekwondo were nominated for a Child Protection in Sport Unit (CPSU) Safeguarding Star Award. This was in recognition of the work the club does, and how we go the extra mile to contributing to providing a safe environment for children and young people in sport.

Premier Taekwondo also won the most recent Kirklees Community Sports Club of the Year Award, at the Kirklees Community Sports Awards hosted by Huddersfield Town with The Huddersfield Examiner.

# WONDO CLASSES STARTING AT RTHFIELD HALL

We achieved GB Taekwondo Talent Club Status, along with Clubmark status in 2016. The 'Talent Club' concept supports a connected community of clubs and coaches that prioritise Sport Taekwondo and have a proven track record of developing performance potential and high-performance athletes. This enables us to offer continuous progression of the GB Taekwondo developmental pathway from grassroots through to high performance. Premier Taekwondo was the first Taekwondo Club in England to achieve Clubmark status through the new updated system. Clubmark is the universally acknowledged cross sport accreditation scheme for community sports Clubs. It shows that a Club provides the right environment which ensures the welfare of members and encourages everyone to enjoy sport and stay involved throughout their lives. An accredited Club is recognised as a safe, rewarding and fulfilling place for participants

of all ages as well as helping parents and carers know that they're choosing the right Club for their young people.

# Euro-cylinder locks

**IMPORTANT  
SAFETY ADVICE**

**Euro-cylinder locks are present on the majority of UPVC doors and we are aware that some offenders have developed a method of overcoming them to then gain access into a home. This type of burglary accounts for approximately 20-25% of all burglaries in West Yorkshire. However, in 40% of these offences the offender does not gain full entry to the property and their attempt fails.**

West Yorkshire Police have led on this issue nationally and have worked with ACPO Secured by Design and trade authorities such as the British Standards Institute to positively address this matter. Other organisations such as the Door & Hardware Federation, and the Master Locksmiths Association have been instrumental in developing testing process and solutions to this matter.

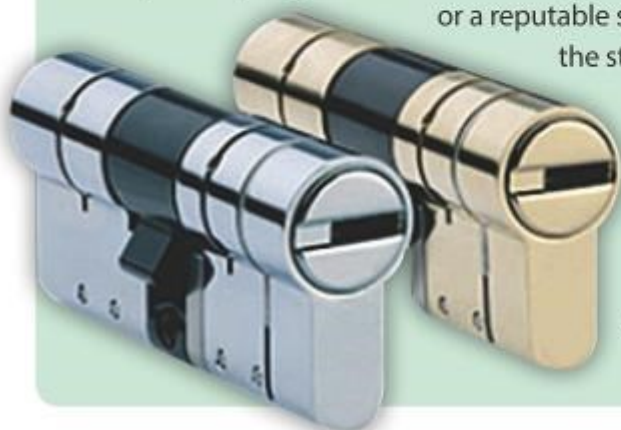

It is said that the outcome of our proactive approach and such collaboration has resulted in the UK having the most stringent testing processes for euro-cylinder locks in Europe,

if not beyond. There are now two nationally recognised standards for euro-cylinder locks – TS 007 and the Sold Secure Diamond Standard (SS312). Locks achieving either of these two standards have been tested to a higher level and in the same way that an offender may test them in reality.

TS 007 is accompanied by a star rating system and cylinders can either achieve a 1 or 3 star rating, 3 stars providing the higher level of protection. Door handles are also tested to TS 007 standards and can achieve a 2 star rating. Therefore, fitting a 3 star cylinder and a 2 star handle enables the maximum level of security provided by the TS 007 testing process (5 stars). The minimum level of security you should look to achieve is 3 stars, which could either be done by fitting a 3 star cylinder on its own or by fitting a 1 star cylinder in combination with a 2 star handle. A 3 star cylinder is the preferred option given it provides the maximum level of security for a lock under the TS 007 testing process.

## TOP 5 TIPS:

1. Look to upgrade your euro-cylinder locks if they have not achieved a 3 star rating under the TS 007 testing process or the Sold Secure Diamond Standard (SS312)
2. Enhanced security handles achieving a 2 star rating under TS 007 should also be considered
3. Euro-cylinder locks can be changed by yourself, but you will need to measure them properly to ensure they are the right size for your door. They should not be fitted so that they are left protruding from the door unit or handle
4. If you are going to ask someone to upgrade your locks for you consider using the Master Locksmiths Association or a reputable security company. Obtain 3 quotes for the fitting of new locks to the standards referenced above and pick the one that best suits your circumstances
5. You may also be able to fit sash jammers to your doors, which have been proven to prevent burglaries

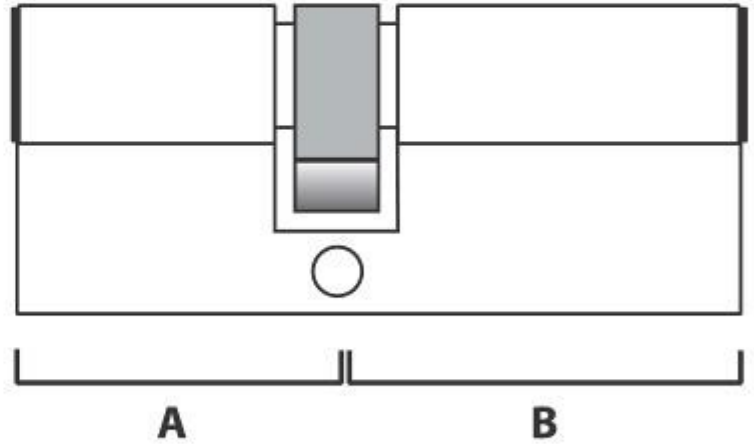

◀ Example of a TS007 3 Star Europrofile lock

# Euro Cylinder lock advice

**All recommended Euro profile locks should be TS 007, 3 star Sold Secure Diamond Standard (SS312) accreditation. They should be snap safe or snap resistant.**

## HOW TO REPLACE YOUR CYLINDER (IN 5 MINUTES)

- Unscrew and remove the fixing screw, this is located halfway up the main lock strip on the inside edge of the door, in line with the bottom of the euro cylinder.
- Put the key in one side (use your right hand).
- Put pressure on the other key hole (with your left index finger)
- Turn the key one way and if the cylinder does not come straight out turn the key the other way, the cylinder should slide out.
- Measure first part of lock section A from the first section of the lock to the hole and then the same for section B again from the hole to the end of the lock. (35mm/45mm)
- Purchase the correct size for your door making the lock flush with the face of the handle cover.
- Put the new keys into the new cylinder, turn the key until the black cam is facing down then slide the cylinder into position
- Replace the fixing screw
- Check the door lock operation to make sure of correct fitting.

# ASHBROW PARTNERING TOGETHER AWARDS 2018

IN ASSOCIATION WITH OUR SCHOOLS COMMUNITY HUB

**The APT awards ceremony was such a successful evening once again. Many local people from around the surrounding areas gathered together to show the support of our well loved volunteers & Groups.**

This was the best turn out to date. We had entertainment from the NHTS school Choir which was outstanding and a farewell to Councillor Jean Calvert as she steps down from her role after 26 years.

Awards and grants were given out as part of the evening along with speeches and slideshows.

The evening gives recognition to these wonderful people for all their hard work and effort throughout the community.

# *New Community Building* **has arrived!!**

As we go to print the new community building is arriving on Bradley Park! After a lot of hard work and dedication, Friends of Bradley Park have finally achieved their goal. After taking an asset transfer of the whole park site from the council in December 2017 the final part of the ambitious plan is now coming to fruition. It is essential that local residents, community groups, sports teams, schools, agencies and businesses support and make use of this new facility.

We will bring you a more detailed update in the next newsletter.

## Our best wishes to **LOZ WILSON**

At the end of this school term Loz Wilson after 5 years, will be leaving his role as Headteacher of North Huddersfield Trust School.

Loz's strong leadership and determination has ensured NHTS has developed into a successful school. He has done this by articulating clear values and high expectations of everyone involved - inside and outside of school.

Loz has always formed strong and friendly

working relationships, getting the best out of people. Anyone who met him enjoyed working with him. His gentle and supportive approach is backed up by a strong personal commitment to not accept second best. Extremely modest, Loz would say *"it is the team that makes the difference"*. Whilst this is absolutely right, strong leadership is essential in forming a strong and effective team, something Loz has achieved and can be extremely proud of.

Loz has always been a very visible and accessible Headteacher, both within and outside of school and is popular with students, staff and the wider community. An outstanding Headteacher, who has made a real difference to the lives of children living in the local area by creating a school where students are excited by their learning and aspirations have been raised for all.

His determined, straightforward approach to everything about North Huddersfield Trust School and its wider community has undeniably benefitted from the 5 years hard work and commitment which Loz has given. He will be sincerely missed by so many, though we will continue to build upon the excellent legacy he leaves us!

**Thank you Loz for your hard work and dedication and good luck in your new role!**

## A message from Loz...

As the summer holidays are fast approaching us I would like to draw to your attention a few changes that are taking place at North Huddersfield Trust School.

As you may be aware I live in Hull, and as such, I have decided to accept a job much closer to home. This decision has not been taken lightly and, as well as this being an exciting career move for me, it will give me the opportunity to spend more time with my family and allow me time to pick up a few interests that I have let drift over the last five years.

I would like to thank everyone I have worked with in the community for making me feel so welcome in Huddersfield and for supporting the work we have done as a school. I do not think anyone will disagree that the school is in a fantastic position and goes from strength to strength. It is because of you 'spreading the word' that the school's reputation has grown in stature across Kirklees, with us being voted 'Secondary School of the Year' last year, our numbers continue to rise, we are constantly asked to support other schools and we lead on many Kirklees-wide educational initiatives. It is a school we can call our own and be immensely proud of, I know I am proud to say I have been Headteacher of North Huddersfield Trust School.

When a Headteacher leaves it can cause some anxiety or unnecessary worry, we are extremely lucky here, at North Huddersfield Trust School, to have very talented and dedicated leaders who are stepping up to lead the school and continue its good work. Therefore, from September, Miss Ward will become Headteacher and Mrs Taylor will take over as Deputy Headteacher, with Mr Allison and Mrs Samuel continuing in their roles as Assistant Headteachers. We have also recently appointed Mr Dom Murphy, an excellent new member of staff, who will sit on the leadership team as one of our Assistant Headteachers.

Together, this is a very experienced team who know the school and the community well. They will continue to work alongside all our students and yourselves to ensure we make the school even better. It is important that our community has schools they can rely on and I know from my close work with all our local Headteachers that we now have all the schools in our area doing very well. I know the staff at NHTS can rely on you to support them as you have done for me.

I would like to finish with a quote:

***We are only as strong as we are united as weak as we are divided – JK Rowling Harry Potter and the Goblet of Fire.***

Our community of schools are strong and united, working closely together for the benefit of all the young people in our area; this is what makes working here so special.

Once again thank you for all your encouragement and enthusiasm, I will miss working with all of you and our unique family at North Huddersfield Trust School.

Yours  
Loz Wilson

The 17<sup>th</sup> Annual Deighton Carnival took place on SAT JUNE 30<sup>th</sup>, 2018 at the Deighton Centre.

This was one of the hottest ever Deighton Carnival with a record turnout of 7,000 people attending throughout the day.

Andy Petrie (Manager Local Service 2 You) cut the ribbon to officially open this year's Carnival. An explosion of music and colours filled the streets that showed the area's great Community Spirit. The Community lined the sun-soaked streets for the procession which made its way through the Ashbrow Ward.

Groups taking part in the street parade included, Whitacre Close TRA, North Huddersfield Trust School, A2D Cheerleaders, Rhymix Dance School, Silver Stars Majorettes, Chestnut Nursery, Punjabi Roots and Isle in Harmony (from Preston) who won the best Carnival troupe for the 3<sup>rd</sup> year running. Many joined along the way.

The procession made its way back to the Deighton Centre for Carnival Celebrations with lots to do for kids and adults alike.

Local sound systems/Displayed on the fields and again the stage show showcasing local talent was very impressive and of the highest quality.

The annual football tournament was well supported with teams coming from all across Kirklees.

Although the day had record temperatures the Carnival Marquees were busy as ever, with food from around the world, A Punjabi Roots workshop, The Let's Play Vinyl Sound System culture pop up show, Crystal Vibration Sound System, Info tent, free activities for parents and kids, i.e., face painting, tattoo arts, henna arts, nail painting etc.

The Carnival project is seen as a "MODEL OF GOOD PRACTICE" in the UK.

The Deighton Carnival celebrates all the positives in the area and brings the whole Community together.

With well over 22 different languages spoken in the Ashbrow Ward alone this project is unique in the fact that it is not just a one-day event, but a six month rolling programme of Workshops, Events, Activities and Initiatives engaging with all the local Schools, Community groups, Church's, Business's, Council Service's, Voluntary Sector, Private Org, Shops and Individuals who all get involved.

**Planning is now underway for the 2019 Deighton Carnival which will take place on SAT JUNE 29<sup>th</sup> 2019, at the Deighton Centre.**

## 25TH ANNIVERSARY

### **Huddersfield Crusaders Military Freestyle, Dance Twirl and POM Dance Troupe will be celebrating our 25<sup>th</sup> year as a local community dance group!!**

Majorettes has been a massive part of all our lives, it has been an activity that most of us instantly fell in love with. Being a part of this group from a young age has shaped our childhoods and has given us a valued set of social skills that we have been able to use in our adult lives. Back in 1993 when Huddersfield Crusaders were first formed, baton twirling was something that we didn't see at all in our deprived area Brackenhall as there wasn't any other activities on offer. A group of us (some who are still involved in the troupe now) became members at the ages of between 8-11 years old and we never looked back!! Sophie Simpson, Sarriah Simpson, Kathryn Cuniffe + Shelley Mclachlan are the only 4 who have danced from the start until now and the nice thing is that Sarriah and Kathryn have been able to watch their daughters (who are now members) dance and compete with the troupe.

Huddersfield Crusaders first took part in the Yorkshire Carnival Association Universal Championships held at The Royal Spa, Bridlington in 1994 – we didn't come home with anything but the officials at the competition recognised that we were going to be a troupe with masses of potential. 3 years later at the age of 13 Sophie became the

head trainer of the troupe and this was the start of something special. With her knowledge of dance and the unique way that she combined it with baton twirling the troupe began to win awards!! In 2000 we got 2 of the top awards at the Universal Championships and from then they kept coming. From 2000 to present Huddersfield Crusaders have been crowned YCA Universal Champions over 10 times in various sections including Junior Dance Twirl, Junior Military Freestyle, Senior Dance Twirl and Senior Open Themed. Most recently our mini Crusaders are making their mark within Great Britain Baton Twirling Association and Northern Majorette Association having been placed first in Tinies + Juniors this year. The girls have also won Most Entertaining Performance, Most Improved and Best Sections of the day at Yorkshire Carnival Association competitions.

Initially based at Brackenhall Community Centre the Huddersfield Crusaders have had many members from the local community join the troupe over the years, as it is run on a non-profit basis it has always been a way to provide a low-cost activity for young people so that they can be active and to keep them occupied from hanging on the streets. The group is open to both girls and boys who have an interest in dance or who just want to try something new, subs are £2 for 1.5 hour/2-hour training sessions – Wednesday troupe training sessions are now held at Northfield Hall.

Over the 25 years that Huddersfield Crusaders Majorettes have been a community group there has been so many amazing experiences that the group have been invited to get involved with... In 2004 the senior team of the troupe were invited to dance at Victoria Tower Gardens in London and then taken to the House of Commons with Stacey Rodgers and the charity CO-Gas Safety as part of their 10<sup>th</sup> anniversary and to bring awareness to Carbon Monoxide poisoning as Stacey had tragically lost her son. This was a performance very close to our hearts. The troupe have also had a great bit of coverage on television over the years, we have performed on the BBC for Graham Norton's 'When will I be famous' show, appeared on Simon Cowells ITV Britain's Got Talent and most recently the troupe were featured on the BBC's programme 'Our Dancing Town'.

Huddersfield Crusaders have become apart of the local community over the past 25 years and although we do not have as many members at present we will continue to do what we do and provide a unique dance activity for young people in our area and those surrounding. For more information on how to become a member of Huddersfield Crusaders Majorette Troupe contact Sophie Simpson –

[huddersfieldcrusaders@hotmail.co.uk](mailto:huddersfieldcrusaders@hotmail.co.uk)

or find us on Facebook and message directly from our page Huddersfield Crusaders.

We will be running our regular training sessions at **Northfield Hall** throughout the summer:

**Wednesdays**

**4pm – 4.45pm**

**Novice/Beginners who have not twirled before (3 years upwards)**

**4.45pm – 5pm Competition Solos**

**5pm – 6.30pm Tinies + Juniors (8 years upwards with some experience of twirling)**

**Saturdays**

**4.30pm – 6pm \*POM Dance (Street Cheer)**  
**No experience needed and is for open ages**

*\*POM Dance training sessions will be held at Central Youth Centre, Prospect Street, Springwood, HD1 2NX.*

**Past and present members, anyone who has danced with the Crusaders we welcome you to join in our 25<sup>th</sup> anniversary celebrations, taking place in November 2018. Please contact Sophie for full details about the event as it would be great if we could get all our past members to come together and mark this wonderful community achievement.**

# CONFLICT RESOLUTIONS

The Conflict Resolutions initiative was launched in January 2017. Since it's conception the demand has exceeded all levels of expectation and the impact has been extremely positive.

The Conflict Resolution programme was set up to address issues in the Community amongst our young people, issues that are happening throughout the Country.

One of our ethos is early intervention, whereby we address and tackle these issues from a young age. We go into the Schools throughout Kirklees, engaging with the pupils on a variety of topics that affect them directly. Topics covered include – Gang Issues, Postcode Wars, Social Media Awareness, Respect/Attitude Issues, Social/Life Skills, Cultural Diversity Awareness, Youth Crime and Education.

The feedback we have received from both pupils and the teachers has been really encouraging and many of the Schools we have worked in have asked us to come back to deliver more Workshops both in the Classes and the Assembly's.

We also go into the Community and Youth Clubs mentoring young people, changing their mindsets from a negative one to a positive one, instilling in these young people that they have the potential to achieve anything in life.

We won a Community Award at the recent Ashbrow Awards for best Community group of the year 2018 which was a fantastic achievement and shows us that the work we are doing is recognised and appreciated.

We have also been nominated for a National Award for the work we are doing, we will know later down in the summer, so watch this space as they say.

Conflict Resolutions are also delivering A Youth Crime Conference, on Fri Oct 5<sup>th</sup> at Huddersfield University, we will have specially invited high-profile guests, key note speakers from Kirklees and throughout the Country speaking about issues related to our young people, plus guest performances during the event. More details in the next edition of the All About Ashbrow Newsletter.

More schools throughout Kirklees have now signed up to the Project.

# Councillors of the Ashbrow Ward

**Harpreet Uppal**

My name is Harpreet and I am the new Councillor for Ashbrow Ward. I was born here, live in the ward and I'm truly honoured to be representing Ashbrow with my two colleagues, James and Amanda. I have worked in local government, the NHS and currently work as an Office Manager for Debbie Abrahams MP in Oldham East and Saddleworth. I'm eager to use the knowledge and experience that I have developed from these roles to make a difference in our area.

I'm looking forward to getting to know many of you in the coming months as I make my way around the ward visiting residents, local groups and businesses. As your local Councillors Amanda, James and I are here to listen to you and ensure we represent your views at Council meetings. Another part of our role is assisting Ashbrow residents with individual casework – this includes making representations on your behalf on council matters such as housing, waste collection, environment, roads, welfare and social security. And if we can't help we will try and put you in touch with people who can. We are holding a councillor advice surgery for local residents at

## Meet our **NEW** COUNCILLOR

Fartown Sikh Temple, Hillhouse Road on Sunday 8th July between 12.30 - 13.30pm and you are very welcome to come and see us!

I'm also keen to work with local partners, agencies, volunteers and residents to ensure we live in a place we can all be proud of. There's some great work underway but I know we still have lots to do. My key priorities include:

- Working with local agencies to tackle crime and improve outcomes for young people
- Look at innovative approaches to tackle fly tipping
- Fight hard to protect vital public services. Cuts to council budgets are seeing areas like Kirklees hit the worst, for example, the cut to our Government grant in Kirklees will represent a loss in like for like funding of £176 million by 2020.

I'm also keen to hear from you about your ideas for our local area so please don't hesitate to contact me by email on [harpreet.uppal@kirklees.gov.uk](mailto:harpreet.uppal@kirklees.gov.uk) with your views.

I promise to work hard with my colleagues to make a real difference to our area.

PS – If you would like to keep updated on our activities as local councillors please like our '**Ashbrow Labour Councillors**' Facebook page or come along to one of our ward meetings. Details are included in this newsletter.

# You will be **MISSED** Jean!

thank

you

Jean Calvert has worked for and represented the local area since being elected a councillor in January 1992. Jean is standing down after 26 years' service as a local Cllr. Originally elected as the Cllr for the old Deighton ward and since 2004 as Cllr for Ashbrow when the ward boundaries changed. She has lived in the heart of the area all those years, her three children all attended local schools and she has always been involved with various aspects of community life.

Over the last 26 years, Jean has undertaken a number of important roles in the council including serving as Mayor of Kirklees for the 2007/2008 municipal year and as Deputy Leader of the Council.

For over 20 years, Jean has been Chair of the Deighton and Brackenhall Initiative following its inception in 1997. Jean was instrumental in ensuring partnership working with local residents, council officers, other agencies and the private sector to transform the DBI area from one with significant problems of poverty and deprivation to a lively area of mixed housing and a range of community facilities.

The DBI initiative also raised over £9 million for investment locally which led to the creation of jobs in the area, helped to build the Chestnut Centre and Northfield Hall, extensive environmental improvements, community safety initiatives, improvements to local shops, new and improved play areas and services for children, young and older people.

During her many years as a councillor, Jean has helped thousands of our local residents with individual personal problems and issues. She has been involved in many local groups and organisations including school Governing Bodies and succeeded in bringing considerable investment into the ward.

She steps down as a councillor having made a positive difference to Deighton, Sheepridge and Brackenhall as well as to Fartown, Bradley, Fixby and Cowcliffe and has helped to make the whole Ashbrow Ward a safer, cleaner and more prosperous area.

# HOUSEHOLD ENQUIRY FORM

## **DON'T** bin your Household Enquiry Form – here's why

From the 17<sup>th</sup> July 2018 we will be sending out the Household Enquiry Forms to all homes in Kirklees. Even if nothing has changed you **DO** need to respond. It's easy enough to let us know – you can do it online, by telephone, by text message or by post.

If you don't respond you may not be able to vote in elections. It may also affect your chances of getting a mobile phone contract, a mortgage or even opening a bank account.

If there is anyone over 16 in the household who is not on the form, let us know, so that they won't be missing out!

Individual Electoral Registration means that every individual is personally responsible for being on the electoral register. Government rules mean you could be fined £1,000 if you don't respond.

# CARE NAVIGATION

The Care Navigation team at Kirklees Council helps adults with social care needs, or their carers, find health and social care support in their communities.

Care Navigators have their own areas to work in so have a good local knowledge of what's available in communities, such as lunch clubs, social groups, exercise groups and support groups. They work with people to help them find support with their day to day lives including equipment, shopping, transport and cleaning. They can support people to find organisations that can advise on debt problems, benefits and housing, and more!

Care Navigators can help people to build a support package that is tailored to their needs.

Support can come from health care providers, sports and leisure facilities or from voluntary and community groups. They can help people find free or alternative support, as well as care services for people who have a budget to spend.

Care Navigators can support people and their carers who have had an assessment of their needs, who are eligible for a personal budget, to arrange their own personalised support to enhance the quality of their lives. They can also help people decide how they want to spend their personal budget, if they would like Kirklees to provide their support, or if a direct payment would suit them better. Direct payments would allow them to choose their own provider or maybe employ a personal assistant. The team can provide the same advice and support to help people who decide not to have an assessment and want to pay for their own support to arrange the support that they want, using their specialised knowledge of what is available.

Have a look on our website for some stories about the different ways we have helped make a difference to people's lives

<http://www.kirklees.gov.uk/carenavigation>

Or if you don't have access to the internet please contact Gateway to care on 01484 414933 for more information.
