# Giving Something Back At Christmas

2

## Reverse Advent Calendar

We have so much food in our house over Christmas when so many have nothing. Get yourself a box and each day in December place an item of food in it. Opt for tins and long life items such as pasta and cereal as well as a few chocolate treats. You could include Christmas items such as Christmas pudding, tinned veg and so on. Then just before Christmas take the box to your local food bank. They will be so grateful and you will help make someone's Christmas. If you don't want to do the full box or aren't sure where your local food bank is then a lot of Supermarkets have a trolley or box that you can add items for the local food bank to. Each time you do your shop grab a couple of items and pop them in there on your way out.

## Shoobox Appeal

Takes part in the [Samaritans Purse shoobox appeal](#). It's such a lovely idea and one that is so simple to get involved with. All you need to do is get a shoobox, wrap in it some festive paper and then fill it to the brim with lovely and practical things for a child to receive. The boxes are then sent off to less fortunate countries. You can include sweets, a cuddly toy, and a book as well as more practical items such as toothbrushes, flannels and pens and pencils. You can even track where your parcel ended up which is always lovely to see. There are also other non-christian versions by various charities such as the Rotary Club that you can get involved with.

## A Little Random Thank You

This one doesn't take much but is sure to bring a little smile to someone's day. Ask your little ones to think of someone they are thankful for and write a little note for them. It could be the postman or even the house in your neighbourhood that has some magical Christmas decorations twinkling outside. How about popping a little note and a box of chocolates in to your local fire station or doctors? Or maybe it's a note to the lady in the supermarket who always gives them a smile when you do your weekly shop. It's the small things that we take for granted and now is the time to show your appreciation.

## Salvation Army Gift Appeal

Take a present to your local [Salvation Army charity shop](#). These should be new, unwrapped, gifts which will be handed out on Christmas Eve.

## Looking Out For The Elderly

Giving back doesn't have to be about physical gifts and sometimes 20 minutes of your day can make the world of difference to someone. It doesn't have to be your own relatives but instead do you have elderly neighbours near you who would appreciate a little visit? Popping in for ten minutes with your little one will brighten their day no end. Even if they have family visiting that might only be once or twice a week, if that, and kids can be that bit of cheer they need. Take them a home cooked meal round, offer to help write their Christmas cards or simply sit and read a Christmas story with them and your child.

The gift is in the giving

The Lawrence Batley Theatre is proud to  
present

**JACK & THE BEANSTALK**

**Friday 8 December – Saturday 6 January**

Join the LBT this Christmas for a giant of a  
pantomime.

Times are hard for young Jack and his mother. Forced to  
sell his beloved cow, poor Jack comes home with nothing  
but a few beans. But when the beans grow into a giant  
beanstalk, Jack finds himself in a whole new world of thrills  
and adventure.

Brought to you but the same creative team behind LBT's  
2016 sell-out pantomime Cinderella, including director  
Joyce Branagh and writer Andrew Pollard, JACK & THE  
BEANSTALK will feature everything you love about a tradi-  
tional panto – laughs galore, magnificent live music and  
spectacular costumes. Get ready for us to take you high  
above the clouds on a magical journey.

# STAY WELL THIS WINTER

Here are some tips to stay warm and well as winter approaches...

- Draw your curtains at dusk and keep your doors closed to block out draughts.
- Have regular hot drinks and eat at least one hot meal a day if possible—eating regularly helps keep energy levels up during winter.
- Wrap up warm—wear several light layers of warm clothes and shoes with a good grip if you go out on cold days.
- Keep as active in your home as possible.
- If you have reduced mobility or a health condition such as heart or lung disease, you should heat your home to at least 18 degrees Celsius. (Be sure to get your boiler serviced as needed) and make sure you wear enough clothes to stay warm. It's a good idea to keep your bedroom at this temperature all night.
- Stock up on any medicines you may need and have a good store of tinned, dry or frozen foods.
- Seek help from a pharmacist if unwell, quickly. Before it gets more serious, even if it's just a cough or a cold.

- Have a list of emergency numbers, including Kirklees emergency adverse weather number - 01484 414888 - for local people in need of emergency help due to bad weather.

- Contact your doctor for a free flu vaccination if you have a child aged 2 to 4 years old, are pregnant, under 65 but at risk due to a particular health condition, or over 65.

- Look out for vulnerable people or elderly relatives and neighbours - you could shop online for them, or clear snow from their paths and drives.

If you are finding it hard to keep your house warm over the winter months, there is help available.

# CONFLICT RESOLUTIONS

The Conflict Resolution Project proved to be a overwhelming success. Demand for this project exceeded all levels of expectation.

Conflicts in society is at unprecedented high, especially amongst young people.

The project helped and supported young people in a number of ways, these area's included how to resolve conflicts, how to avoid conflicts, how to avoid Gangs with a strong anti gang message, social media awareness, cyber bullying, social skills, people skills, cultural diversity awareness, respect issues, attitude issues, education and community cohesion.

We took the project into various Centre's throughout Huddersfield and went into various Junior and High Schools in Huddersfield and Bradford.

The response was phenomenal in every school we visited and as well as the pupils learning from the project all the teachers said they learned something also and want us to come back into all the schools in the new term in September 2017.

The list of Community Centres, Youth Clubs and Schools we visited is listed below:

Northfield Hall Community Centre – Huddersfield

Chestnut Centre – Huddersfield

Deighton Youth Club, Deighton Areana –  
Huddersfield

Hudawi Centre – Huddersfield

Birkby/Fartown Community Centre –  
Huddersfield

North Huddersfield Trust School –  
Huddersfield

Fixby Junior/Infants School –  
Huddersfield

Birkby Junior School – Huddersfield

Birkby Infants School – Huddersfield

Joseph Norton pupil referral unit school  
– Huddersfield

One In A Million School – Bradford

Mannigham Youth Club – Bradford

Chapletown Youth Forum – Leeds

From left : Alwyn Simpson, Howard Belafonte, Shane Johnson

We are looking to getting more funding from the Awards For All Grant Scheme to be able to continue this very important work throughout 2017 and into 2018.

We want to extend the project into the Criminal Justice programme and into more Schools.

The demand for this project is at a all time high.

# DEIGHTON CARNIVAL

Carnivals, festivals, fetes, galas and family fun days have been happening in the Deighton and Brackenhall area throughout the 1950's and 60's.

The Deighton carnival as we know it today, first took place in August 2002 at the Deighton Centre in Huddersfield. The vision coming from the D.B.I (Deighton and Brackenhall Initiative)

The theme for the first event was 'DEIGHTON BY THE SEA' and it took place on the front car park. Although on a very small scale the event was very well attended.

After the success of the first event, the community demanded this to be an annual event. The last Saturday in June was set as the official date for the event and this became a permanent fixture on the Kirklees summer events diary.

Planning soon got underway for the 2003 carnival and over the years the event grew in size and quality, each year having a different theme and celebrating the diversity of the area.

**AUG 2002** – DEIGHTON BY THE SEA

**JUNE 2003** – DEIGHTON THRU THE AGES

**JUNE 2004** – CHILDREN UNITE

**JUNE 2005** – DEIGHTON TODAY

## FAKE

### Royal Mail delivery cards

Beware of missed delivery cards which look like they've been delivered by Royal Mail. On the run up to Christmas, we are ordering more items online, consider if you are actually expecting a delivery. The cards are almost identical to the official Royal Mail card, except that the Royal Mail logo is missing. A 0208 number is provided to arrange collection which is a premium rate number with calls costing £45.

## DOORS LOCKED

*The nights are drawing in and the clocks will soon go back. Keep yourselves safe on your doorstep from opportunist and distraction criminals by following our top tips:*

- ☐ Only answer the door to someone you are expecting
- ☐ Use peepholes or where possible, check through windows to see who is at the door.
- ☐ ALWAYS use the door chain when answering the door to any caller.
- ☐ Check identification details by telephoning the genuine telephone number from the telephone book or web-site, NOT the telephone number on the ID card.
- ☐ Keep all doors and windows locked.
- ☐ NEVER let anyone in your home unless it is someone you know and trust.
- ☐ Consider having outside lights fitted to give a better view of anyone who may be on your doorstep.

**IF IN DOUBT  
KEEP THEM  
OUT!**

## DOORSTEP CALLERS

### WARNING - Money Expert doorstep callers

There has been recent reports of residents receiving unsolicited visits from representatives of a company called Money Expert attempting to sell various energy products by using Martin Lewis' name in an attempt to fool people into believing they are from the reputable Money Saving Expert.com. Money Saving Expert have confirmed that they **NEVER** engage in cold calling and these callers are from other companies making false claims. Martin Lewis advises if you are thinking of changing energy providers to do a full market comparison and not to do business with someone at your door.

## TPS PROTECT

The TPS Protect app screens your smartphone against nuisance or scam calls, helping you to decide whether to answer or block suspicious calls. For numbers you don't want to receive, add them to your personal block list and forget about them. For calls you definitely want to receive, add those numbers to your approved list so you never miss them. For more information visit <https://tpsprotect.org.uk/>

“Friends of Bradley Park members have approved a historic motion to sign the proposed 125 year lease with Kirklees Council and bring Bradley Park into community ownership. A preliminary date for the handover was set as the 18th of December. The vote was held at the Bradley TRA and represents a massive step towards a commitment to having Bradley Park run by the community for the community. Signing the lease will release significant funding for a new community building, offices, meeting room and changing facilities for which the group already has planning permission. The new facilities and extensive sports pitches will be rented to community groups on a not for profit basis to pay for park maintenance and improvements.”

# Local Services 2 You

Local Services 2 you (LS2Y) is a local community business that aims to provide local employment and excellent services in Ashbrow. We provide:

- excellent, affordable childcare at out nurseries at Chestnut Centre and Community House
- entertainment and a venue for parties and events at the Top Club
- Library and information Centre at Chestnut Centre
- Deighton Carnival
- we manage Ingfield Enterprise Centre, the Chestnut Centre and other community buildings in the area

For up to date information on events and activities, follow us on **Twitter @LS2Y\_Group** or on **Facebook: @LS2Ynurseries** or **@topclubhuddersfield**

As a community business, any profit we make goes back into developing even better services for local people. If you'd like to work with us as a partner or have an idea for what is needed in the area then please get in touch on [info@ls2y.co.uk](mailto:info@ls2y.co.uk)

## An Amazing Autumn at Chestnut Nursery

The Chestnut Nursery has been very busy indeed with lots of new children starting with us in September. We welcomed more than 30 families at our "Amazing Autumn" parents/carers open morning.

We started off the morning with an autumn walk where the children crunched in the leaves, splurged in the mud and looked for worms, spiders and other creepy crawlies!!

We then arrived back to nursery for some well deserved pie and peas and hot chocolate.

Parents were able to experience activities their children take part in at nursery as well as look at development files and speak to nursery staff.

It really was an amazing autumn day!!

We are also looking forward an exciting and busy December with lots happening, this includes a nativity play, a special xmas lunch and song round the tree with a very special guest appearance!!!

## An enterprising creative centre in Deighton

The Ingfield Enterprise Centre on Cherry Nook Road is a dedicated space for small and growing businesses. Although the building itself is one of the oldest in the area we are delighted that it is being used by some very new and up and coming enterprises. It is a diverse mix of creative enterprises that is bringing services and employment to the area. Recent new tenants include the Yorkshire Hair Loss Clinic - <https://www.yorkshirehairlossclinic.co.uk/> and Kersha Bedau who is a local seamstress making one off pieces for weddings and special events. Well established local training provider, Purple Dog, continue to provide their very popular training courses from here also. Community business, Local Services to You, manage the building and there are some offices still available for anyone wanting local, excellent value office space.

## Fun for Families at the Chestnut Centre

There has been lots going on at the Chestnut Centre library recently. In October half term, there was a fun packed day of activities as the Chestnut Centre became a Fun Palace. Fun Palaces is a national organisation which aims to promote creativity in children and young people. Shadow puppetry, Arabic mosaics and discussions with a community philosopher were some of the activities that were on offer. The organisers of the event reported that it was one of the busiest sessions they had hosted with lots of families from the local community attending.

The Library is open all day at the Centre and we have a great range of books as well as access to computers and e-books. Keep an eye out for events coming up in the new year by popping in to the centre or following us (and Kirklees Libraries service) on social media.

## **St. Thomas' Church Bradley Afternoon Fellowship**

**We are a group who meet on the second  
Wednesday in the month at 2.30pm in the  
Church lounge except August (watch out for  
a change of start time from January)**

We enjoy our time of Fellowship and Friendship in each other's company, and have listened to some stimulating speakers. We have covered a large range of subjects, learned something new each time, and had our questions answered. There is then time for a chat over refreshments. We just ask for a small donation each visit towards costs. We usually finish before 4pm.

Once a year instead of the usual meetings, we go on our annual canal boat trip from Shepley Marina in Mirfield and in December we enjoy a Christmas dinner together at the local golf club. We also fill shoeboxes for Operation Christmas Child every year.

The programme for 2018 will shortly be on the website [www.bradfixcow.co.uk](http://www.bradfixcow.co.uk)

**All newcomers are given a warm welcome.**

## **Chestnut Centre Xmas change of hours**

Chestnut Library will be open **9.30am – 5pm Weds 27<sup>th</sup> – Friday 29<sup>th</sup>**  
The following week will be open as normal.

## **Can Care Navigation make a difference for you?**

The Care Navigation team at Kirklees Council helps adults with social care needs, or their carers, find health and social care support in their communities.

Care Navigators have their own areas to work in so have a good local knowledge of what's available in communities, such as lunch clubs, social groups, exercise groups and support groups. They work with people to help them find support with their day to day lives including equipment, shopping, transport and cleaning. They can support people to find organisations that can advise on debt problems, benefits and housing, and more!

Care Navigators can help people to build a support package that is tailored to their needs. Support can come from health care providers, sports and leisure facilities or from voluntary and community groups. They can help people find free or alternative support, as well as care services for people who have a budget to spend.

Care Navigators can support people and their carers who have had an assessment of their needs, who are eligible for a personal budget, to arrange their own personalised support to enhance the quality of their lives. They can also help people decide how they want to spend their personal budget, if they would like Kirklees to provide their support, or if a direct payment would suit them better. Direct payments would allow them to choose their own provider or maybe employ a personal assistant. The team can provide the same advice and support to help people who decide not to have an assessment and want to pay for their own support to arrange the support that they want, using their specialised knowledge of what is available.

Have a look on our website for some stories about the different ways we have helped make a difference to people's lives

# Free for Local Residents

# LEAP The Energy and Money Saving Service

**Groundwork and Green Doctors** are offering local residents a completely **FREE OF CHARGE** service called **LEAP** (Local Energy Advice Programme). **LEAP** can help you to save money and keep your home warm and cosy.

## How it works:

**If you're eligible, you will get a FREE home visit from a friendly, qualified Home Energy Advisor. LEAP can:**

- **Install FREE, simple energy saving measures** which can save the average household £30 on their energy bills a year.
- **Give you day-to-day energy efficiency hints and tips** and ensure your heating system is set up to keep you warm and save money.
- **Help check if you are on the cheapest energy tariffs** - could save you over £280 a year.
- **Arrange a FREE telephone advice service** to help with benefits, debt and other money problems.
- **Refer you for further energy efficiency improvements**, such as loft insulation or a new boiler.

## Are you eligible?

**You may be eligible for the LEAP service if you:**

- have a low income
- receive tax credits
- receive Housing Benefit
- receive an income or disability related benefit
- have a long term illness or disability

**Call us now on 0800 060 7567\***

(Freephone) to book your free home visit, or apply online:
