GOLDILOCKS & THE THREE BEARS

Thursday 13 April 2pm, 4pm and 6pm

at the Lawrence Batley Theatre

Goldilocks is a mischievous little girl with hair as bright as gold. Always on the look-out for an adventure, one day her curiosity leads her to a house full of many surprises. With a family of friendly bears, a beautiful blue bird and bowls of delicious porridge, this ballet is just right!

With sell-out performances and hugely successful CBeebies adaptations including Ugly Duckling and Tortoise & the Hare, Northern Ballet's Short Ballets for Small People are not to be missed. Bringing this classic children's story to life, GOLDILOCKS & THE THREE BEARS is the perfect opportunity for your little ones to enjoy live ballet, music and theatre for the first time.

Crying Out Loud on behalf of Circus Evolution

SUPER SUNDAY

By Race Horse Company

Thursday 1 – Saturday 3 June, 7.30pm

at the Lawrence Batley Theatre

SUPER SUNDAY is the latest super-fun show from Race Horse Company, the acclaimed all-male Finnish circus troupe with a reputation for madcap brilliance.

Big on flying, big on skill and big on stomach churning thrills, including a 'wheel of death', SUPER SUNDAY is delivered with laidback humour, rolled-out on a stage dressed as a derelict funfair. Against an atmospheric soundtrack, tension builds as the six performers casually propel themselves higher and higher on trampolines, teeterboards and with catapults. A single slip and things could get messy!

Funny, brave and irreverent, SUPER SUNDAY is so exciting that you cannot look away for a second. Our latest contemporary circus offering is anarchic, edge of your seat stuff.

Light hearted Christian religious motifs permeate Super Sunday. We think that to really appreciate the show, you need to be aged 12 years to adult.

North Huddersfield Trust School was host to one of the first events of Huddersfield Literature Festival 2017, inviting the whole community to visit the school and experience professional storytellers, arts and crafts, information stalls, and finishing with the Disney Blockbuster film 'Aladdin' in the wonderful school theatre.

The event was hailed a huge success by over two hundred visitors who thoroughly enjoyed the entertainment and activities on offer.

Entertainment began with professional storyteller Richard O' Neill, who brought to life his memories of school – and the day the farmer's bull escaped from the field next door to the school! Richard was born into a large family in small a mining community in the North East of England in 1962. His family travelled with the seasons all over the country. He attended a lot of schools for short periods, but even though his formal education was sporadic to say the least, he still developed a love of words and a love of books. This shone through as the audience listened, and in some cases got to take part!

A last-minute change to the programme in the afternoon saw the wonderful balloon modelling skills of 'Michaelmas Twist', who proved very popular. Children got to take home balloons, parrots, dogs and much more – all made simply from balloons.

The drama theatre at North Huddersfield Trust School provided the perfect venue for the final activity of the day, the showing of Disney's 'Aladdin'.

Refreshments provided by NHTS Year 11 students, were complemented by the very popular 'Big Yellow Chippy Bus', and we can't wait to begin planning next year's event!

The Stafflex Free Family Day is part of the wider Huddersfield Literature Festival, which takes place every year in March and was last year shortlisted for a Welcome to Yorkshire White Rose Award.

CONFLICT RESOLUTIONS

The youth are our future, so is it not wise to try and instil into them what we can to find a balance and resolution for the on-going testing times of today and most importantly for the futures of tomorrow?

Conflict resolution workshops are doing just that. LS2Y managed to catch up with 3 outstanding guys, (Alwyn Simpson, Howard Belafonte, and Shane Johnson) that have come together and formed an amazing interactive and fun filled project that has been recently launched (January 2017) and has now been taken into schools.

Conflict resolutions have managed to escalate outstanding feedback, not only from the teachers but most importantly from the pupils themselves.

I would like to thank you for your workshop, you all was absolutely fantastic.

We would definitely like to look at our calendar to utilise your services again. Gary Deighton.

(North Huddersfield Trust)

A number of staff have approached me and said how wonderful the sessions were and that they got a lot from it themselves.

LS2Y – Hi guys, thank you for meeting with us today. Can you tell us a little bit about what it is that you do, how it all came about and why?

Conflict resolutions

We had all been discussing these issues and what we could do to try and make a difference for over a year now. The fact that we have all grown up in the same urban community and now all have children of our own has given us the passion and drive to try to armour our youth against the many different factors that are very much present today.

Our children are like sponges, they do what they see, repeat what they hear so we as an elder generation have to come together to make a change and step up. Teachers generally do not live in the area they work in so it is only natural that they will not be able to understand an individual's attitude. It is not necessarily Education of peers but that of experience of our environment and cultural awareness that are key to enable change.

Crime, anti-social behaviour, social media and peer pressure to name a few, are all huge common denominators that pave our path and like many different communities worldwide, our youth become unconsciously victim of this "Breakable" cycle.

Violence, fists and weapons are no match to Education, Books and Words and we want to give our youth the belief and empowerment they deserve to go and achieve exactly what they want to in life.

Yes you can be a Doctor, Yes you can be a Lawyer and Yes you can still be **YOU** and achieve these things.

We have had the opportunity to bring this focus to quite a few schools now and we are taken a back just how well it has been received. The fact that we are from where the children are from, and have experienced probably what they are now experiencing enables us to really invest and empathise with their whole being. This was highly recognised by the teachers also.

Our sessions last around an hour each and without talking at them we engage with them through role play. A very touching moment was when during one of our role play's a student actually opened up and shared with us that they had gone through the same thing and they wished they had known what conflict resolutions had taught them at the time.

The dangers of Social Media and Cyberbullying/Abuse are also high on our agendas. We have to remember that technology is always going to be here, so it is important that we educate them about the dangers and also make it clear that we can use these things in a controlled manner so as to not be controlled.

The conflict resolution workshop was excellent. The presenters were an obvious team with priceless "real world" experience. The children warmed to them instantly and were captivated.

Joanne Gallagher. (Birkby juniors)

DEIGHTON CARNIVAL 2017

16th ANNIVERSARY

The Deighton Carnival 16th year Anniversary takes place on Sat June 24th, 2017 at the Deighton Centre in Huddersfield.

The theme for the 2017 event is "Deighton's Diversity" celebrating and showcasing the positive work that has been done in the area and the changes that have happened over the years.

Many new and exciting projects/activities are planned for this year's event, including "CARNIVAL KIDZ PLAY VILLAGE" a play area for kids comprising of various bouncy castles, Ball pools, paddling pool, climbing frames and Arts and Crafts.

The Carnival procession will again be vibrant and very colourful with many new groups taking part.

The opening of the Carnival which will take place at 1pm with the cutting of the ribbon to start the procession. This will make its way around the Ashbrow Ward arriving back at the centre at approx 2pm, where the field activities will already be in full swing.

Howard Belafonte, the Deighton Carnival Events Co coordinator says, Leading up to this year's Carnival, see's the return of the Deighton Carnival Roadshow, which takes place at Northfield Hall on Wed May 31st 12 midday till 4pm (half term week), where the Community can see what's planned for this year's Carnival and ways they can get involved.

After the overwhelming success of the 2016 Carnival which attracted a record turn out of over 6,000 people during the day planning is well underway for the 2017 Event, People both young and old are encouraged and more than welcome to get involved (details see below) and the Monthly Committee meetings are held at the Northfield Hall Community Centre in Brackenhall.

Key dates for 2017

.....

**DEIGHTON CARNIVAL ROADSHOW –
WED MAY 31st – NORTHFIELD HALL**
**DEIGHTON CARNIVAL – SAT JUNE 24th
2017 – DEIGHTON CENTRE**
**SEPT 2017 – CARNIVAL COMMITTEE
MONTHLY MEETING'S START (to plan
the 2018 Carnival)**

Many new and exciting features will be at the Carnival and another fun packed family day out is planned and promised.

The traditional Carnival activities again will be there, the Carnival procession, the stage show, showcasing local talent in the area, plus the sports activities, five a side football tournament, Basketball, netball and Table Tennis.

Please feel free to send your ideas or why not join the Carnival Committee.

Who we are?

Friends of Bradley Park is a local charity formed in August 2016 as a coming together of local community groups including Bradley Tenants & Residents Association, St Thomas School, Bradley Out of School Club, Bradley Brownies, Chestnut Family Forum, various local individuals and supported by Ashbrow Partnering Together.

Call to action

Come along to our next meeting or visit our website to find out more www.bradleypark.org.uk. Friends of Bradley Park currently meet at our temporary offices at the Bradley TRA, 25 Alandale Road, 7pm on the 2nd and 4th Monday of every month.

What are we doing?

Our charitable aims are to provide or assist in the provision of facilities for recreation and other leisure time activities through the improvement of Bradley Park.

How?

Our main project is to replace the existing wooden changing facility, which had been on Bradley Park for a number of years. This was seriously damaged by an arson attack in 2014 resulting in the council having to demolish the remains of the building. Following the blaze Kirklees Council said it could not replace the facilities but after pressure from local councillors and the Bradley TRA and with support from Ashbrow Partnering Together a deal was done to investigate handing over the whole site to community volunteers.

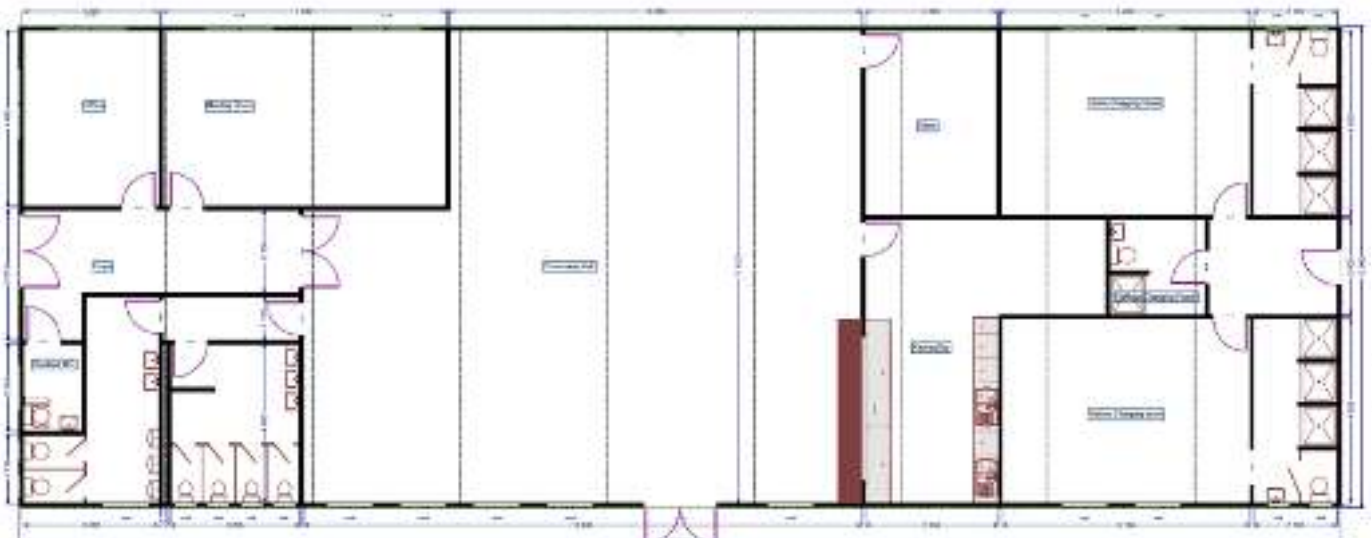

Why?

Friends of Bradley Park decided that the site could not be left to fall into disrepair with the loss of a very valuable local civic amenity and set about looking at the potential options and opportunities for the site. We have secured substantial funding for the new building and planning permission is going to be submitted shortly. As part of the funding agreement with Kirklees Council FOBP charity volunteers will take over and run the entire park for the next 125 years in what we believe is a UK first for a park of this size (approximately 5.76 hectares, 15 acres). The Bradley TRA, Bradley Brownies and Bradley Out of School Club will be first groups to move into the new building as part of the funding agreement.

The New Building

- Is a 395 sq metre modular community building
- It includes extensive changing facilities, activity/function hall, kitchen, storage, office and a multifunctional meeting space/room. External facilities proposed include junior and senior football pitches, with aspirations for further improvements including a multi-use games area (MUGA) court, enhanced fixed play area and a 3g or 4g indoor facility in the future.
- Will be hired to local groups to fund maintenance and improvement of Bradley Park and its facilities.
- Currently expected to open in August 2017

(The layout of the new building)

A formal asset transfer application was submitted to Kirklees council in November 2016

Planning application will be submitted early in March

Cabinet decision is due in March 2017

Building work will begin in June 2017 and the new building will be open in August 2017 at this time FOBP will be responsible for the whole 15 acre site.

ARTHRITIS CARE

ARTHRITIS CHAMPION

Arthritis Care *Arthritis Care is the largest voluntary sector organisation in the UK working for people with arthritis. There are over 200 different types of arthritis. It is the most common cause of chronic pain in the UK and can have a devastating influence on people's lives. This can lead to concerns about living independently, mobility, mental and emotional well-being.*

Arthritis Care offers tailor made self-management support, that encourages independent living. People with arthritis can come along to a drop-in point and share experiences with others, get advice and information, and be signposted to other local services.

We can offer free support in the following ways:

- ♦ *Individual Support*
- ♦ *Group sessions for existing and new groups known as Chat 4 Change*
- ♦ *Drop ins/information sessions*
- ♦ *Coffee mornings*
- ♦ *Stalls at local community and health events*
- ♦ *Specialist work with South Asian communities*

We can help improve your own health and wellbeing goals, so you can manage your condition more effectively. If you are living with arthritis and want to improve your overall well-being and self-management skills, and Share experiences with others.

My role as a Project coordinator for Kirklees is to offer support and information to people of all ages to help them understand and manage their arthritis. Our goals are to improve the health and wellbeing and reduce physical and emotional isolation of people with arthritis.

It would be great to conduct some of this work in communities with in Kirklees. This could be for sheltered housing, TRA groups and anyone wanting individual support and health interest groups, Luncheon Clubs, Older Peoples Groups any community groups.

Our Next Drop in is at The Chestnut Centre, Chestnut Street, Deighton on Monday's at 10:00am to 12:00 noon!

Deighton Into Sport Project

DEIGHTON INTO SPORT PROJECT: ENABLING YOUNG PEOPLE TO PARTICIPATE!

Deighton Into Sport Project continues to be a strong contributor to the life of this Community, using sport as a means of bringing people together, integrating new members of our Community, and enabling our young people to keep fit and become well-adjusted.

- We are particularly proud of the way in which some of our young people who have been with the Project since its early days, have taken over coaching and mentoring responsibilities with the younger members of our Football, Basketball, Netball and Dance Clubs..
- We have continued to provide a range of sporting opportunities to the young people of our neighbourhood and encouraged integration by continuing to welcome into our club newly settled members of the community, some from other parts of the UK, some seeking asylum in this country from troubled areas of the world, and economic migrants from parts of Eastern Europe. .
- The future of our Project continues to be entirely dependent on our being able to obtain the financial support we need to be able to meet our obligations. We are grateful for all the support we have received in the past year, especially from Sport England – Streetgames, Community Sport Activation Fund and Kirklees Council, Kirklees Neighbourhood Housing and the One Community Foundation.
- We look forward to a fruitful partnership with the Ashbrow Partnering Together Initiative, which has now been set up to undertake further development work in the Ashbrow Ward.
- We are providing sport and fitness opportunities for over 350 children and young people every week. Well over 15,000 individual attendances every year.
- This Football Season 2016-17 saw us begin with 2x Under 8's, and Under 9's, 10's, 11's, 12's and 14's. We have well over 120 playing members of our Club, Deighton Juniors FC.

Our Open Access Saturday Morning Football 'Skills' Club provides coaching for children and young people from the ages of 5 to 17.

We have also set up 2x Open Age teams, made up of young men from the neighbourhood, some of whom had played with our Junior teams but had stopped playing at the age of 16. They are now in Division 4 and Division 4 of the Reserve League of the Huddersfield & District Association,

- **We were also delighted to welcome a Women's Football Team from Clifton Rangers, who are playing regular League football with twenty playing members. Clifton Rangers also have two Open Age Men's Teams in the Heavy Woollen District League. They are now affiliated to our Project and play their home games at Deighton. We also have another football team from one of the local Churches, AFC Huddersfield, who are also affiliated to our Project and play their games here at Deighton.**
- **We now have Under 16's and U13's Basketball Teams who play in the Central Venues' League Competitions, one hosted by our Club here at the Deighton Arena, and are working towards other junior teams when we have the appropriate numbers.**
- **We still have a Men's Basketball Team, and a Women's Basketball Team. They play successfully in the Leeds and District Basketball Leagues.**
- **We have recently been awarded a grant from Sport England to run Basketball Coaching sessions at our local High School, The North Huddersfield Trust School. It is our intention to inspire young people to start playing basketball, and expect an increase in our numbers as a result of this.**
- **We are currently involving over a hundred people, many of them under 21, in playing and coaching Basketball.**
- **We have regular Dance sessions with our Dance Group 'Diva Fever'. They meet every Tuesday and Thursday, 4:30 - 5:30pm at the Arena.**
- **Netball also features in our Programme. Three Women's teams still play regularly at the Arena or North Huddersfield Trust School, and we have Junior Netball coaching sessions every Monday, 4:30 - 5:30pm. Any potential netball players aged 8-13 are welcome!**

COMMUNITY NEWS

IN BRIEF

Children's Centres & Youth Clubs

The Council have recently concluded the review of services to children and young people and a decision has been taken to make massive changes to council run provision which will see the closure of all but 4 Children's Centres across Kirklees and the closure of almost all open access youth provision. The good news for Ashbrow is that our Children's Centre will remain open. However, it will deliver services very differently and will also be the Children's Centre for the whole of Huddersfield. More detail will be published once known.

The Council have also decided to close all local open access youth provision. The majority of local provision had closed over recent years and now the remaining Council run youth club at Deighton Arena on Thursdays will close. Originally it was due to close at the end of March but this has been delayed until the summer of 2017.

Fartown Post Office

The Post Office are proposing to relocate Fartown Post Office from Fartown Green Road to new premises on Bradford Road. Specific details and a date have not yet been published. The move is expected in May/ June and if it goes ahead will mean longer opening hours and more services available.

Fartown Village Hall

In December 2016, the Council closed Fartown Village Hall as it was deemed to be potentially dangerous due to a number of significant repairs the building required. In January 2017, Local Services 2 You submitted a Business Case to asset transfer the building into community ownership. At the same time applications for the capital funding to renovate the building have been submitted. Unfortunately, the Council have now said the process of asset transfer consideration will be delayed due to another organisation expressing an interest. It is hoped that a speedy resolution can be found so the building does not fall into further dereliction and, importantly, can be open again as a resource for the community of Fartown.

Chestnut Library & Information Centre (LIC)

Chestnut LIC is in the process of moving into new space within the Chestnut Centre. The relocation and downsizing of the LIC, is due to the original cuts in the Council budgets for supporting LIC's. Unfortunately, at this point we only have limited funding guaranteed until the end of March 2018. The Council have announced further cuts in Library funding in the future and this may well impact on the Chestnut Centre provision. Ashbrow Partnering Together, Local Services 2 You and the ward councillors are all working hard to try and maintain a service at the Chestnut Centre as they understand the importance of this facility for the local community.

Fartown affordable homes taking shape

Thirteen family-sized houses are taking shape in Sadeh-Lok's latest affordable homes development.

Contractors for the Huddersfield-based housing group – part of the Incommunities Group – are building a mix of two and three bedroom properties for rent at Aquamarine Drive.

The site, formerly a disused goods yard, was assembled by Incommunities' in-house development team and is only a short distance from the centre of Fartown.

Each property is being fitted with energy efficient central heating systems and fitted kitchen and bathrooms and landscaped gardens.

The £1.3 million development is being supported by the Homes and Communities Agency.

Hussain Brook, Head of Sadeh Lok said: "I'm delighted to see great progress being made on this development which will deliver more social rental homes for local people."

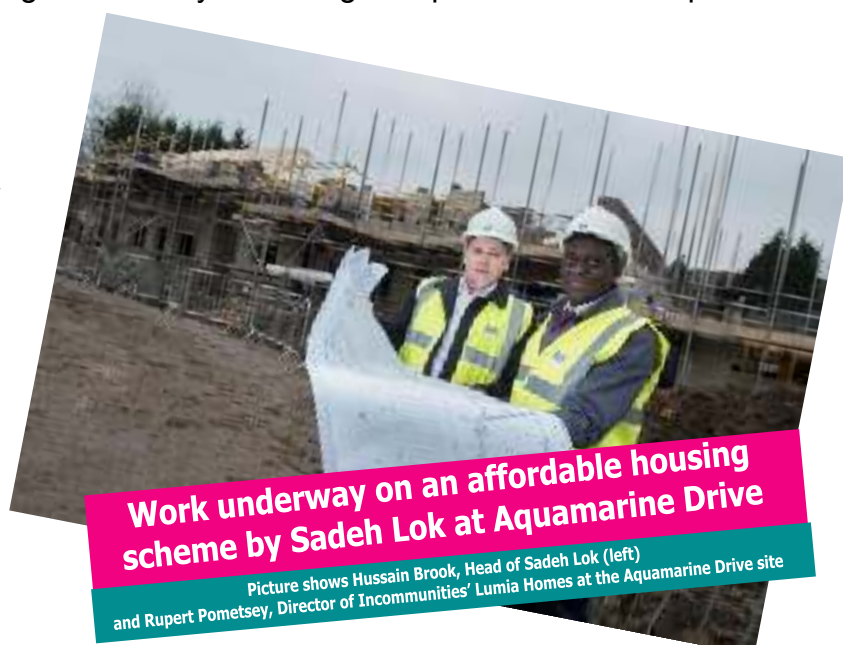

"Sadeh Lok is committed to regenerating brownfield sites like this and working with our partners - Incommunities, Kirklees Council and the Homes and Communities Agency – who share our vision to improve social housing provision in the area."

Cllr Naheed Mather, Cabinet Member for Housing at Kirklees Council, said: "I am delighted to see the work on this new housing development get underway. Working with partners to develop new homes is essential to securing affordable housing for the future."

"The Council, Sadeh Lok, and Incommunities have worked hard to ensure this scheme goes ahead. The new development has been designed in a way that not only secures access for cyclists and pedestrians using the adjacent greenway, but also creates a quality development for new residents."

"I look forward to seeing the scheme progressing over the coming months."

The new homes are due to be completed in September 2017.

Keep informed with community news and helpful advice for local residents.

Can Care Navigation make a difference for you?

The Care Navigation team at Kirklees Council helps adults with social care needs, or their carers, find health and social care support in their communities.

Care Navigators have their own areas to work in so have a good local knowledge of what's available in communities, such as lunch clubs, social groups, exercise groups and support groups. They work with people to help them find support with their day to day lives including equipment, shopping, transport and cleaning. They can support people to find organisations that can advise on debt problems, benefits and housing, and more!

Care Navigators can help people to build a support package that is tailored to their needs. Support can come from health care providers, sports and leisure facilities or from voluntary and community groups. They can help people find free or alternative support, as well as care services for people who have a budget to spend.

Care Navigators can support people and their carers who have had an assessment of their needs, who are eligible for a personal budget, to arrange their own personalised support to enhance the quality of their lives. They can also help people decide how they want to spend their personal budget, if they would like Kirklees to provide their support, or if a direct payment would suit them better. Direct payments would allow them to choose their own provider or maybe employ a personal assistant. The team can provide the same advice and support to help people who decide not to have an assessment and want to pay for their own support to arrange the support that they want, using their specialised knowledge of what is available.

Have a look on our website for some stories about the different ways we have helped make a difference to people's lives
